Sign and date Certification Statement below (BOTH Advisor And Administrator)

This is to certify that each participant from _____ (name of school) SkillsUSA Chapter is enrolled in occupational programs including a unit and continuous updating on safety practices. Each occupational event contestant has received the safety instruction appropriate for his/her area and has been certified to operate equipment and use tools appropriate to the area. Each contestant registered is a bonafide enrollee in the occupational program in which he/she is competing and has developed the competencies necessary to represent this school. Each individual has reviewed and signed the NLSC FORM 1 (code of conduct/medical liability form) and is familiar with specific event regulations. Each contestant has been informed that he/she must take a SkillsUSA Professional Development exam and in the case of occupational events a theory test that will be counted toward their event score. Each student listed was a member of Tennessee SkillsUSA by March 1, 2008.
